CVS News

Volunteers' Week, 1-7 June

This year we have planned a promotion of volunteering in the annual **Volunteers Week** celebration of volunteering **June 1st to 7th 2019**
www.volunteersweek.org

We are having a table/small display to mainly promote the Volunteer Essex www.volunteersex.org volunteering recruitment programme, at the following locations:

- Basildon Council run "Advice Store" – St Martins Square Basildon (diagonally opposite the Towngate Theatre) in the mornings from 10.00am Monday 3rd to Thursday 6th June
- Wickford Library, Monday 3rd June 2.00-4.30pm
- Billericay Library, Wednesday 5th June 2.00- 4.30pm

It would be good to have any leaflets and/or flyers at these sessions from Basildon, Billericay and Wickford Voluntary and Community Organisations and Community Groups that are promoting their own specific volunteering offer/opportunities.

Please do drop off/send any such material you have to us beforehand, or bring along to the Advice Store in particular during early on in Volunteers Week and we would be able to have them for people to read/take away.

It would also be great to meet representatives of the Basildon, Billericay, and Wickford Voluntary and Community Sector during this year's Volunteers Week, so please do stop by at any of the volunteer promotion sessions listed above to discuss and celebrate volunteering!

Please contact John Wheeler on 01268 294420 or email volcentre@bbwcvcs.org.uk

Funding Advice from BBWCVS

We are able to give funding advice and support on funding opportunities and approaches to fundraising. This includes:

FREE access to NCVO's Funding Central identifying possible sources of funding.

- Developing and discussing funding strategies.
- Commenting on and helping with draft applications.
- Identifying and monitoring outcomes in a straightforward way.
- Exploring the best way of improving your organisation's financial sustainability.
- Identifying other useful free funding search engines to assist you in your exploration for funding.

We offer this support either at face-to-face meetings, by phone and/or by email. We have good relationships with local funders and we can also help you review applications that have been unsuccessful or help clarify any issues or problems that crop up.
